## ABOUT SACA

Founded on 31 May 1871, The South Australian Cricket Association (SACA) is the governing body responsible for cricket in South Australia. SACA manages all aspects of cricket from high-performance teams West End Redbacks, Statewide Super SA Scorpions plus male and female Adelaide Striker teams, through to coaching and development programs for players of all ages designed to make cricket the most popular sport in South Australia.

SACA has a long and proud history at Adelaide Oval, often described as the world's most beautiful International cricket ground, which is supported by the world's largest cricket membership.

SACA's Avenue of Honour behind the western stand at Adelaide Oval pays tribute to the outstanding cricketers who have represented South Australia, a list of names to rival any cricket ground in the world.

SACA will celebrate its 150th birthday during the Ashes series late in 2021.

South Australia*

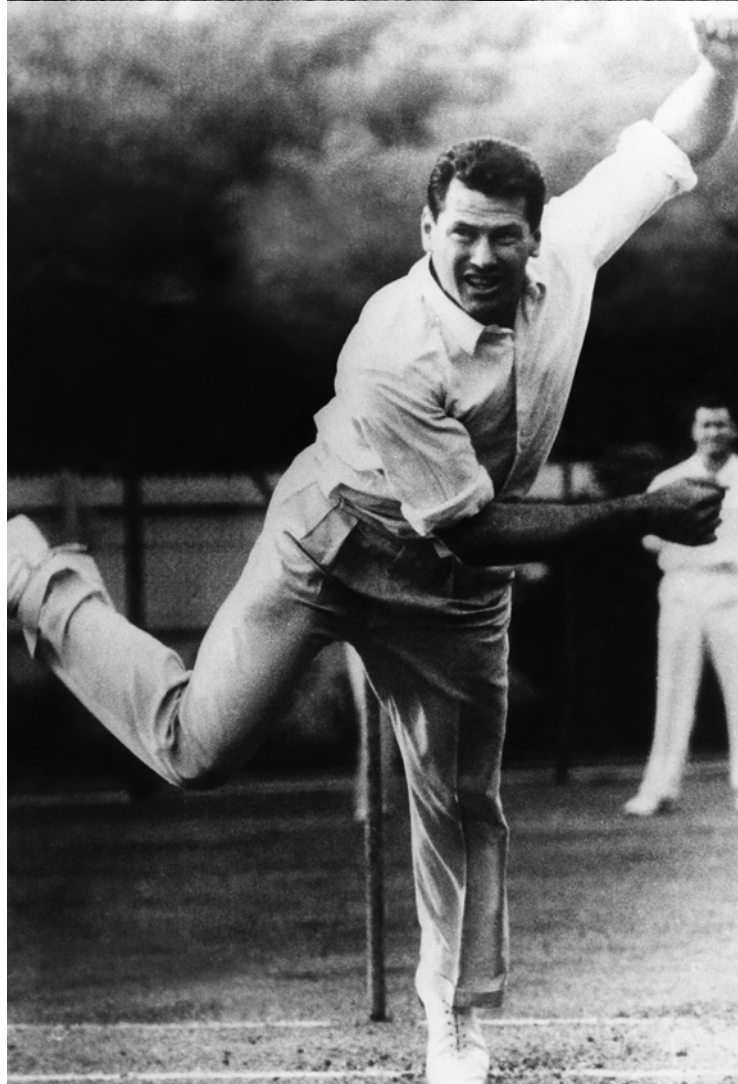

## CONTRIBUTING TO CRICKET IN SOUTH AUSTRALIA

SACA is a not for profit organisation and looks for opportunities to invest in the South Australian cricket community. SACA recently opened the new \$10 million Karen Rolton Oval development, a venue built and funded by SACA. The facility incorporates state-of-the-art changerooms, function area and four playing fields with an ability to run carnivals for country, school or community cricket where four games can be played simultaneously. SACA is always looking to invest in more metropolitan and regional venues, helping to improve facilities for all cricketers across the State, with a priority being the development of female friendly venues.

## A LEGACY THAT WILL BENEFIT SOUTH AUSTRALIAN CRICKET FANS FOR GENERATIONS

As a not for profit organisation, any gift in a will shall go directly to fund the improvement of facilities and programs for the benefit of cricketers in South Australia.

Cricket memorabilia can also be gifted, which will form part of SACA's extensive cricket item collection for displaying to the South Australian public.

SACA has a long-term objective to continue to improve the facilities and conditions in which our cricketers can enjoy and prosper in the game that we all love, now and into the future. Cricket is a game for all South Australians and SACA wishes to see as many people being able to enjoy our wonderful sport, in the best possible conditions.
