Interstate Reciprocal Cricket Arrangements 2026/27

The Melbourne Cricket Club extends entry entitlements to Full members who are of affiliated reciprocal clubs/venues on a short-term visit to Victoria.

Associate, guest and corporate memberships have no access rights. Please note that if you hold multiple membership cards that only one card can be used for reciprocal rights.

Access is restricted to Level 1 and 4, with access to dining and bar facilities on these levels only.

Members and their guests are required to adhere to the Members' Reserve dress code at all times while attending matches. In addition to the dress code, the MCC Code of Conduct has been developed to provide clear guidance on the standards of behaviour expected of both members and their guests while in attendance.
